

LEVEL CHART

&

Common European Framework of Reference (CEFR)

AC Kids	Courses for 5-10 year olds
AC Teens	Courses for 10 year olds until exam preparation or AC English courses
Exam Prep	Courses for individuals whose goal is to write a Cambridge exam
AC English	Courses for individuals who wish to set their own personalized goals and cover all domains of language learning
Business English	Courses for individuals who are at least an A2 level whose main goal is to use English in the work place.
Speaking	Course for individuals who wish to focus on communication (speaking and listening). Classes are planned thematically and brief grammar explanations are covered as needed.
IELTS	Course for individuals whose goal is to write the International English Language Testing System (IELTS), which is an alternative to the Cambridge exams
